## CAPABILITY STATEMENT

Veterans Singleply, LLC (VSP) is a fully licensed and insured roofing contractor located in Mesa, Arizona. VSP began operations in 2009 by service-disabled veteran, Scott Dickson. VSP prides itself in driving industry standards while focusing on efficiency, quality, and safety.

VSP competes in the construction field self-performing roofing services for large commercial firms, the Federal government, as well as state and local agencies in order to offer sustainable roofing solutions. Our customers count on our professionalism and consistent performance to deliver projects that exceed expectations. Complementing VSP's roofing expertise is their exemplary, incident-free safety record.

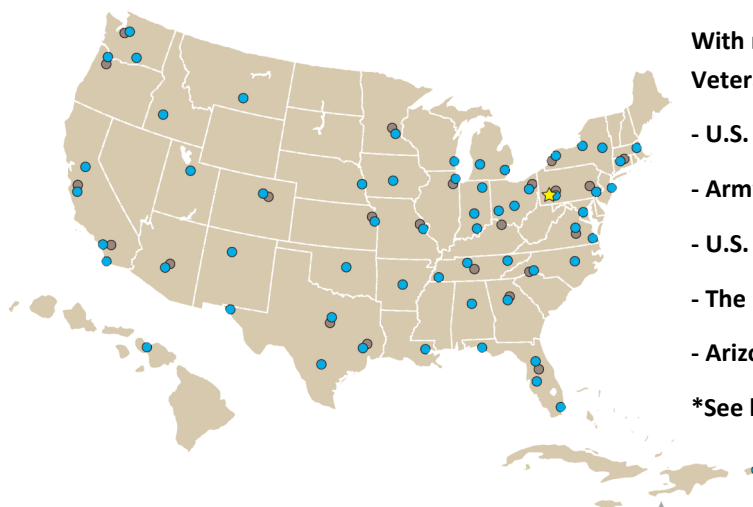

With a solid foundation of trust and respect within the community, Veterans Singleply, LLC embodies the following core values:

**Integrity | Accountability | Dependability | Commitment | Honor**

## Mission and Vision
